Letter no. B1-24-28 dated 21st Sept. 1928 from the Municipal Commissioner, Bangalore city Municipality, forwarding copy of the Resolution of the Municipal Council proposing that the Lalbagh be kept open exclusively for ladies one day in a week from 9 A.M. to 7 p.m.

Submitted for perusal. It is rather unlikely that ladies will visit such public places without male members of their respective families and it may not be desirable to shut out these male members when their people are inside the gardens. The proposal is no doubt good but appears to beset with difficulties. Submitted for orders. The Director of Horticulture may also be consulted.

Returned with compliments. I must express great doubt as to the expediency of closing the garden for exclusive day each week. If the principles of Gorkha rule be strictly observed all the malis, coolies, animal keepers, watchmen will be given leave which will seriously interfere with the work and the absence of watch and ward may easily be taken advantage of by
